

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to [www.medica.com](http://www.medica.com) or by calling 952-945-8000 (Minneapolis/St. Paul Metro area) or 1-800-952-3455. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.dol.gov/ebsa/healthreform](http://www.dol.gov/ebsa/healthreform) or [www.cciio.cms.gov](http://www.cciio.cms.gov) or call Medica at the numbers above to request a copy.

Important Questions	Answers	Why this Matters:
What is the overall deductible?	<b>\$1,500</b> per person/ <b>\$3,000</b> per family for <a href="#">in-network</a> services. <b>\$2,250</b> per person/ <b>\$4,500</b> per family for <a href="#">out-of-network</a> services.	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the policy, the overall family <a href="#">deductible</a> must be met before the <a href="#">plan</a> begins to pay.
Are there services covered before you meet your deductible?	<b>Yes.</b> <a href="#">Preventive</a> care, and prenatal care from <a href="#">in-network providers</a> or well child and prenatal care from <a href="#">out-of-network providers</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive</a> services without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive</a> services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits">https://www.healthcare.gov/coverage/preventive-care-benefits</a> .
Are there other deductibles for specific services?	<b>No.</b>	You don't have to meet <a href="#">deductibles</a> for specific services.
What is the out-of-pocket limit for this plan?	<b>\$2,500</b> per person/ <b>\$4,900</b> per family for <a href="#">in-network</a> services. <b>\$4,500</b> per person for <a href="#">out-of-network</a> services.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , the overall family <a href="#">out-of-pocket limit</a> must be met.
What is not included in the out-of-pocket limit?	<a href="#">Premiums</a> , balance-billed charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count towards the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a network provider?	<b>Yes.</b> See <a href="http://www.medica.com">www.medica.com</a> or call 1-800-952-3455 or 711 (TTY users) for a list of Medica Choice with UnitedHealthcare <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware, your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a referral to see a specialist?	<b>No.</b> You don't need a <a href="#">referral</a> to see a <a href="#">specialist</a> .	You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .

All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
