

Hunting Map

- City Boundary
- Hunting Zone*
- Parcels

*- Hunting is permitted in the areas illustrated on the map as long as the following criteria are met:

1. That only BB Guns, shotguns with shot shells, or bows and arrows are used.
2. That shooting is done on contiguous tracts of at least 40 acres.
3. The person shooting either owns or has the written permission of the owner of the tract.
4. That the gun is not discharged within 500 feet of a building or public road.
